2. On 8 December, telephone lines extended from the office on Hoven Gasse, Korneuburg, (O 49/530) to the Albrechts Kaserne, the building at 16 Wiener Strasse, two buildings on Bisamberg-Strasse, which are believed to be officers' billets, and the cantonment on the road to Bisamberg. The building on Wiener Strasse was not guarded, but locked. Two long-wire antennas, 30 to 40 meters and 20 to 30 meters long, were seen there, with lead-ins from the yard into the building. A military band with red-bordered black epaulets practiced in a room of the building. Eight troops, wearing red-bordered black epaulets and including five with signal insignia and one with artillery insignia, under the supervision of a senior lieutenant wearing red-bordered black epaulets without branch of service insignia loaded eight medium-size sheet metal containers on weapon carrier which subsequently left for the office on Hoven Gasse and, a short time later, proceeded toward Vienna. Truck which was marked as "driving school" and was occupied by personnel wearing red-bordered black epaulets was seen in front of the rear entrance of the Albrechts Kaserne. Truck the driver of which wore red-bordered black epaulets, was in the yard of the ration supply depot at Bahnhofs Platz, and jeep

- the driver of which were also red-bordered black epaulets, entered the depot, coming from the Albrechts Kaserne. Sixty troops wearing red-bordered black epaulets marched to the camp on the road to Bisamberg and drilled with 6 x 37-mm AA guns, which had been in a shed in the camp. An AA machine gun, 1 truck, 2 tank trucks, 1 tank truck trailer, jeep [] and trucks [] occupied by personnel wearing red-bordered black epaulets were observed in the billeting area. On 10 December, a low wooden building was being dismantled in the camp. About 20 troops practiced on 3 x 37-mm AA guns. Jeep [] and trucks [] occupied by personnel wearing red-bordered black epaulets, were seen en route between the camp and the Albrechts Kaserne.
3. On 3 December, sedan [] and jeep [] left the office on Hoven Gasse, and truck [] left the Albrechts Kaserne in Korneuburg. Sedan [] was seen in front of the ration supply depot at Bahnhof's Platz and jeep [] in front of the camp on the road to Leobendorf. All vehicles seen were occupied by personnel wearing red-bordered black epaulets.
4. On 3 December, 3 trucks were seen in the yard of the Irinz Eugen Kaserne, Stockerau (O 49/S 21), and about 60 troops were practicing with 6 x 37-mm AA guns. Trucks [] all occupied by personnel wearing red-bordered black epaulets, were seen en route from and to the Artillerie Kaserne.
5. In the afternoon of 3 December, 6 x 37-mm AA guns and 10 trucks were in the yard of the Irinz Eugen Kaserne in Stockerau. Truck [] the driver of which had red-bordered black epaulets, left the installation. Truck [] occupied by five officers and three NCOs, all wearing red-bordered black epaulets, entered the Artillerie Kaserne, coming from the direction of Vienna, and trucks [] occupied by personnel wearing red-bordered black epaulets, left and entered the installation. Three driving school trucks were seen in the yard of the quarters on Schaumann Gasse. A sentry seen there had red-bordered black epaulets. Truck [] which was seen at the rear entrance of the Albrechts Kaserne Korneuburg during the morning left and entered the quarters on Schaumann Gasse, marked as driving school truck and occupied by personnel wearing red-bordered black epaulets.²
6. On 10 December, motor vehicles seen near the former Kreisgericht (county court), St. Loelten (O 49/W 88) included: 3 jeeps and sedan [] the driver of which wore red-bordered black epaulets with tank insignia, at the main entrance on Schiesstattring; 3 trucks, [] with the driver wearing red-bordered black epaulets, and 2 jeeps, including [] and occupied by personnel wearing red-bordered black epaulets, at the entrance on Andreas Hofer Strasse. Four guns, 3 trucks and 2 field kitchens were seen through the partly open doors of the garages west of the former Kreisgericht. Centries seen there wore red-bordered black epaulets. An amphibious car and three trucks were seen in front of the garage in the yard of the Irinz Eugen Kaserne. 25X1 [] Comment. The information indicates no changes in the occupation
 25X1 of Eisenstadt. []
 25X1 [] unidentified transport unit of the Central Group of
 25X1 Forces (?) in Eisenstadt, and the [] 95th Gds Mtz Rifle Div.

[] Comment.
 2. /The observation of the telephone lines converging at the office on
 25X1 Hoven Gasse in Korneuburg again indicates that the Hq 23d AAA Div is
 stationed there, as was assumed previously. It is noteworthy that the
 dismantling of cantonment buildings, which had already been reported
 25X1 from Korneuburg, apparently was not completed. []
 25X1 [] The bulk of the vehicles probably belongs
 to the 23d AAA Div.

[] Comment. The information on the occupation in St. Poelten in
 general checks with available information. Most of the motor vehicle
 25X1 [] observed were previously reported from St. Poelten, and are
 25X1 believed to belong to the 95th Gds Mtz Rifle Div.
